## Overview

*This Guide is designed to help you make the best choices about your benefits as a retiree or long-term disability (LTD) participant of the State of Arizona, Arizona State University, University of Arizona and Northern Arizona University. You will find valuable information about your benefit plans such as:*

- *Benefits eligibility*
- *How the plans work*
- *Important contact information*

*It is very important that you review this Guide so you can fully understand the benefit plans offered to you through Arizona Benefit Options. The program offers a variety of plans and coverage options. This is your opportunity to select the coverage that is appropriate for both you and your qualified dependents.*

*NOTE: The term “retiree” will be used throughout this Guide to include retirees, LTD participants, eligible former elected officials, surviving spouses and qualified dependents. The same benefit plans are available to each of the “retiree” groups.*

## Eligibility

The following are eligible to participate in the Arizona Benefit Options (AzBO) program:

- Retirees collecting a pension from a recognized State of Arizona retirement system and their qualified dependents
- Long-Term Disability (LTD) participants collecting benefits from VPA and/or Standard and their qualified dependents
- Eligible former elected officials and their qualified dependents
- Surviving spouses and qualified dependents provided they were covered at the time of the retiree's death.

As an eligible retiree, if you elected ADOA's medical and/or dental insurance, you may make changes to your plan(s) during Open Enrollment.

If you have declined or cancelled ADOA's medical and/or dental coverages in the past, you may not re-elect those coverages during the Open Enrollment period. You may, however, enroll in one of the medical or dental plans offered by your retirement system. The phone numbers for your retirement system are listed on the inside back cover of this Guide.

If you have a qualified dependent who is not currently enrolled in Arizona Benefit Options, he or she may be added during the Open Enrollment period. Dependents

not enrolled during Open Enrollment cannot be added until the next Open Enrollment, unless there has been a Qualified Life Event. If you have a Qualified Life Event, you have 31 days to change your enrollment through the ADOA Benefits Office. The change must be consistent with the event.

Your qualified dependents are:

- Your legal spouse
- Natural, adopted and/or stepchildren who are unmarried and less than 19 years of age, or less than 25 years of age if a full-time student
- Minor children under age 19 for whom the retiree-member has court-ordered guardianship
- Foster children under the age of 19
- Children placed in the retiree-member's home by court order pending adoption
- Natural, adopted and/or stepchildren who were disabled prior to age 19 and were under the retiree's custody prior to age 19.

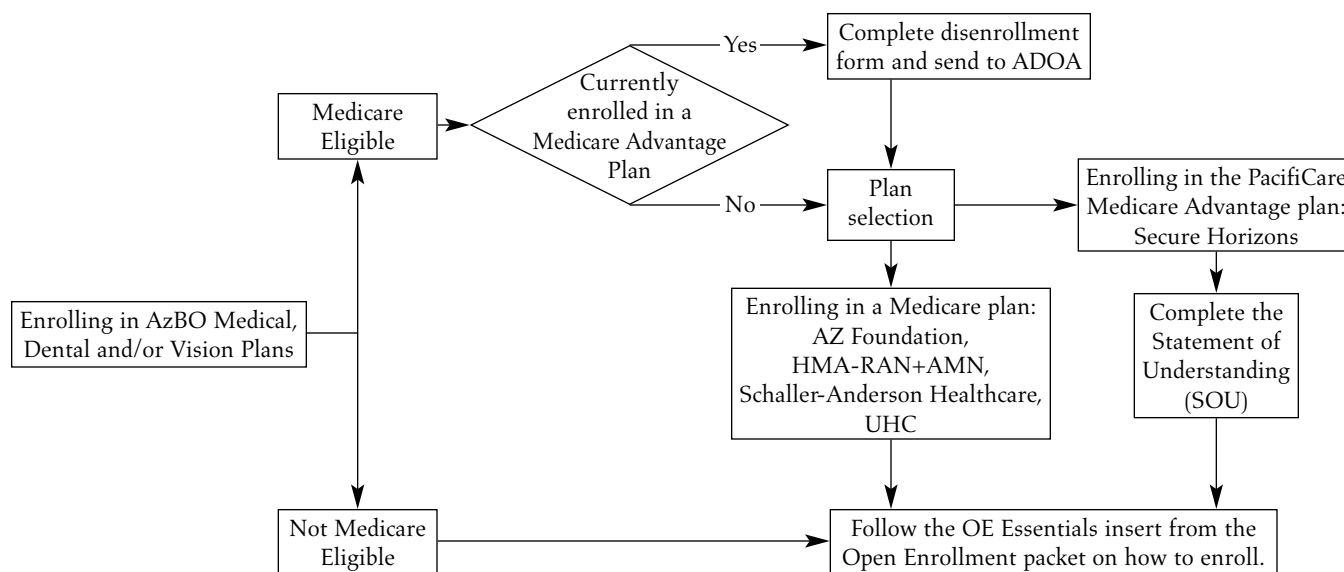

Please note: If your dependent child is approaching age 19 and is disabled, immediately contact the ADOA Benefits Office regarding procedures to continue coverage for this dependent. You will need to provide verification that your dependent child has a qualifying permanent disability, in accordance with Social Security Administration (SSA) guidelines,

that occurred prior to his or her 19th birthday. Documentation may be required periodically to continue the dependent on your plan. Final eligibility will be determined by the ADOA Benefits Office.

### Qualified Medical Child Support Order (QMCSO)

If a QMCSO exists, you must elect coverage for your dependent pursuant to the Order. You may not terminate coverage for a dependent covered by a QMCSO.

## Other Important Information

### Changing Your Benefit Elections

You may change your benefit elections during the year when you experience a Qualified Life Event (QLE).

Qualified Life Events include but are not limited to:

- changes in retiree's marital status: marriage, divorce, legal separation, annulment, death of spouse
- changes in dependent's status: birth, adoption, placement for adoption, death
- changes in dependent's eligibility due to age, marriage, student status
- changes in employment status or work schedule that affects benefit eligibility for the retiree, spouse and/or dependent

- changes in residence that affect available plan options for retiree, spouse and/or dependent.

If you have experienced a life event that is not listed but which you think qualifies you for a benefit change, consult with the ADOA Benefits Office.

A QLE change permits retirees to make certain midyear benefit changes consistent with the qualifying event.

The effective date for benefit changes resulting from a birth, adoption or placement for adoption is the date of the event. The effective date for benefit

changes resulting from all other QLEs is the first day of the month following the date the requested change is submitted in writing to the ADOA Benefits Office.

To request a benefit change resulting from a QLE, **the retiree must submit a written request to the ADOA Benefits Office.**

The request must include the retiree's social security number and signature. The request must be submitted within 31 calendar days of the QLE. Failure to request a change within this 31-day period will result in a denial of benefit changes until the next Open Enrollment period.

## Declining Arizona Benefit Options

You may choose to decline Arizona Benefit Options at any time during the plan year. To decline (disenroll from) coverage, submit a written request to the ADOA Benefits Office. The request must specify the coverage (i.e., medical, dental and/or vision) you wish to decline. Your disenrollment will be effective the first day of the month following ADOA's receipt of your written request or on a later date designated by you. Once you have declined your medical, dental and/or vision coverage through Arizona Benefit Options, you cannot reenroll in the future. This is in accordance with Arizona Revised Statute §38-651.01.

## Medicare Advantage HMO Plan Disenrollment Form

The Disenrollment Form must be completed and signed by all Medicare-eligible retirees and/or dependents who are currently enrolled in the Medicare Advantage HMO Plan and who are dropping this coverage.

The effective date will be the first of the month following receipt of the Disenrollment Form, unless a future date is requested. For Open Enrollment purposes, that future date is October 1, 2004.

## Your Contributions to Arizona Benefit Options

The monthly premiums for the available Arizona Benefit Options medical, dental and vision plans are detailed in the rate charts on page 4.

## Payment of Monthly Premium

- You are responsible to pay all premiums; failure to pay will result in cancellation of your insurance coverage.
- If your premium benefit subsidy(ies) is equal to or more than your total monthly premium(s), you pay nothing.
- If your premium benefit subsidy(ies) is less than your total monthly premium(s) and you would be left with a pension check of at least \$10, your contribution will be deducted from your pension check. After enrolling, **check your pension check deductions**. If, by the second pension check after enrolling, the deduction has not occurred or the deduction is incorrect, immediately contact the ADOA Benefits Office.
- If your premium benefit subsidy(ies) is less than your total monthly premium(s) and your pension check is not large enough to cover the deduction OR you are not entitled to a premium benefit subsidy OR you are an LTD participant, you are responsible for the payment of your premium(s) by the first of each month. The monthly premium is stated on your enrollment form. You will not be billed.

# Retiree Health Insurance Premium Benefit (Subsidy) Program

## Basic Premium Benefit Amounts

The Arizona State Retirement System (ASRS), the Public Safety Personnel Retirement System (PSPRS), the Elected Officials Retirement Plan (EORP) and the Corrections Officer Retirement Plan (CORP) will provide a payment toward insurance premiums for eligible members and their qualified dependents

who elect health care coverage through the Arizona Department of Administration (ADOA). No basic premium benefit (subsidy) is provided to retirees in the University Optional Retirement Plan or to PSPRS or CORP members who are Long-Term Disability recipients.

The chart below reflects monthly premium benefits (subsidies) available for eligible members and their qualified dependents.

To determine your basic premium benefit (subsidy), you need to know:

- Your years of credited service in your retirement system or plan if you are an ASRS or EORP member. (Years of service is not

a criterion for CORP and PSPRS members.)

- Your coverage type (i.e., single or family coverage).
- Whether you and/or your qualified dependents are eligible for Medicare.

## Temporary Premium Benefit (Rural Subsidy)

Qualified retirees who are participating in a medical plan provided by ADOA and who live in areas of Arizona where no managed care program is offered (i.e., non-service areas) are entitled to receive a temporary premium benefit (rural subsidy). These rural subsidy amounts, listed on page 6, are in addition to the basic premium benefit

(subsidy) and are **effective from July 1, 2003 through June 30, 2005.**

With the passage of House Bill 2349 by the Arizona State Legislature in May 2003, the application of the Rural Subsidy for retirees in the Elected Officials Retirement Plan changed by prorating the subsidy for retirees with less than eight years of service but with at least five years of service. Retirees from this retirement plan who are eligible for a rural subsidy should take special notice of this change because the prorating will either increase or reduce the amount of rural subsidy previously received.

**HB 2349 Required Payment** – Before the rural subsidy is applied, eligible “rural” retirees are required to pay a minimum out-of-pocket amount for the cost of their medical insurance plan.

- are a retiree of the University Optional Retirement Plan or
- are a PSPRS or CORP member receiving Long-Term Disability

## Medical Plan Options

We offer two different types of medical plans from which to choose. These plans are:

- Exclusive Provider Organization (EPO)
- Preferred Provider Organization (PPO).

## How the Plans Work

### EPO – Exclusive Provider Organization

An EPO provides benefits at a lower cost to you as long as you use contracted network physicians and hospitals. In general, an EPO does not pay benefits for care received outside of the EPO network. A network includes physicians, hospitals and other health care providers and facilities.

Your care may be coordinated through your Primary Care Physician (PCP) or you may be able to seek treatment directly from a specialist. In this way the Arizona Benefit Options EPO plans are more flexible than traditional HMO plans.

Some important features of EPO plans are:

- No deductibles
- Minimal copayment
- No charge if you are admitted to a hospital
- No claim forms to complete

### PCP Selection

As an EPO member, you need to select a Primary Care Physician (PCP). You may change your PCP by contacting your plan administrator.

If you are a new retiree, you may select your PCP during your benefits enrollment process. If you do not select a PCP, one will be assigned to you by the plan administrator.

PCP identification numbers are available on the [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov) web site and in the provider directories which are available from the ADOA Benefits Office.

It is important to have a PCP who can coordinate your medical care and who can help you make important medical decisions. The selection of a PCP is necessary as a feature of the EPO; however, it is not necessary to obtain a referral from your PCP for an office visit to a specialist.

### PPO – Preferred Provider Organization

The PPO plan has two levels of out-of-pocket costs: a lower level of costs when you use PPO providers and a higher level of costs when you use non-PPO providers. Under the PPO plan, you are not required to obtain a referral for covered medical services.

Some important features of PPO plans are:

- Copayments may apply to in-network services
- Deductibles and out-of-pocket payments apply to most out-of-network services
- You may go directly to any in-network specialist you choose

NAU Retiree BCBS plan is a PPO.

## Medicare Advantage HMO (Secure Horizons)

### For retirees in Maricopa, Pima and Pinal Counties with Medicare A & B ONLY

Secure Horizons is a Medicare Advantage HMO plan for members who are enrolled in Medicare Parts A and B and in which PacifiCare Secure Horizons has entered into a contract with the Centers for Medicare and Medicaid Services (CMS) formerly HCFA, the federal agency that administers Medicare and is regulated by the Arizona Department of Insurance. This contract authorizes PacifiCare to provide comprehensive health services to persons who are entitled to original (traditional) Medicare benefits and who choose to enroll in the Medicare Advantage HMO Plan (Secure Horizons). By enrolling in the Medicare Advantage HMO Plan (Secure Horizons) you have made a decision to receive all of your routine health care from PacifiCare contracted providers. If you receive services from a non-contracted provider without prior authorization, except for emergency services, out-of-area urgently-needed services and renal dialysis, neither PacifiCare nor Medicare will pay for those services. Should you elect the Medicare Advantage HMO plan, a

physician name and network name are required.

## Statement of Understanding (SOU)

All retirees and/or dependents who have Medicare Parts A and B and who are enrolling in the Medicare Advantage HMO Plan (Secure Horizons) must complete the Statement of Understanding.

The completed SOU must be submitted to ADOA Benefits Office prior to the last day of the month prior to the effective date.

By signing this SOU, the retiree and/or dependents confirm to PacifiCare (Secure Horizons) and CMS that they understand that:

- Member(s) must maintain Medicare Parts A and B by continuing to pay the Part B premiums, and if applicable, the Part A premiums.
- All medical services, with the exception of emergency or out-of-area urgently-needed services, must be provided or arranged by PacifiCare/Secure Horizons-contracted providers.
- Services rendered without precertification from PacifiCare (Secure Horizons), with the exception of emergency and out-of-area urgently-needed services, will not be reimbursed by PacifiCare or Medicare.

- The member(s) are bound by the benefits, copayments, exclusions, limitations and other terms of the PacifiCare (Secure Horizons) Evidence of Coverage.
- The member(s) may only be enrolled in one Medicare Advantage HMO Plan at any one time.
- The effective date of the Medicare Advantage HMO Plan (Secure Horizons) selection will be the first of the month following the date that PacifiCare (Secure Horizons) receives the completed enrollment form and SOU, unless the requested effective date is at a later date. For open enrollment purposes, the effective date is October 1, 2004.

## A Word From Our Providers

### Arizona Foundation

As Arizona Benefit Options only statewide PPO option, we are the largest, oldest and most recognized statewide network with 9,337 providers in 16,322 locations.

If you need to seek care outside the primary service area, covered services are available from participating providers in the national provider network.

Our providers are contracted on a calendar-year basis and providers are not permitted to drop out during the year. This ensures network stability.

We offer Mayo Clinic doctors and Mayo Hospital.

### Beech Street

We are the largest independently-owned Preferred Provider Organization (PPO) in the United States. With over 50 years of reliable service, Beech Street has forged the road to over 380,000 providers, 3,500 hospitals, and 50,000 ancillary providers. Over 700 clients and their 16 million members have put their trust in our care.

### PacifiCare Secure Horizons

PacifiCare's Secure Horizons is Arizona's largest Medicare Advantage provider with over 92,000 members.

PacifiCare/Secure Horizons is fully accredited by the National Committee for Quality Assurance

(NCQA) a nationally recognized independent source for rating health plan quality. The NCQA rates plans on areas such as health plan provider's access and service, ability to keep members healthy, and programs that focus on getting well.

PacifiCare/Secure Horizons is locally administered here in Arizona for customer service, claims, and plan administration.

### AMN (HMA)

AMN, Arizona Medical Network, is an Exclusive Provider Organization (EPO) that will serve retirees in the counties of Pima and Maricopa as well as Apache Junction. If you need to seek care outside this primary service area, covered services are available from participating providers in the national provider network.

AMN has provided accessibility, convenience and availability to the retirees and their families of self-funded employers, just like the State of Arizona, for the past 20 years.

The AMN EPO network is one of the least expensive plans in the Arizona Benefit Options (AzBO) program. The AMN EPO not only costs you less but you and your family gain the fullest range of carefully screened and monitored providers and hospitals without losing any benefits.

(Note: RAN, the Rural Area Network, is not an AzBO option for retirees.)

### Schaller Anderson Healthcare

With headquarters in Phoenix and serving all of Arizona for more than 17 years, we live and work in the same communities as you and your family.

With more than 8,000 physicians in 10,000 locations throughout central and southern Arizona, it is very likely that your doctors are already members of the Schaller Anderson Healthcare Network. If you need to seek care outside the primary service area, covered services are available from participating providers in the national provider network.

We are selective about who can participate in the Schaller Anderson Healthcare Network. We credential each provider in our network and review his/her professional background before the provider can see a member.

### UnitedHealthcare

United Healthcare provides you and your dependents national reciprocity. You have access to our nationwide network of over 420,000 physicians and 3,700 hospitals across the country.

In Arizona, you can access United Healthcare's network of over 9,500 private practice physician offices and 58 hospitals.

We have been providing coverage since 1974 and insure one in seven residents in the State of Arizona.

## How to Use the Program

- Present your PacifiCare membership card at any PacifiCare Contracting Pharmacy.
- Pay your copayment for each prescription unit of medication or the retail cost of the prescription, whichever is less.

## What is Covered?

All medications listed in the Formulary are covered, when ordered by a PacifiCare Contracting Provider and filled at a PacifiCare Contracting Pharmacy. The Formulary includes a broad range of FDA-approved generic and some brand name

medications that under State or Federal law are to be dispensed by a prescription only.

**What is the Formulary?**

The Formulary is a list of outpatient prescription drugs that are covered by PacifiCare when prescribed by a PacifiCare Contracting Provider and filled at a PacifiCare Contracting Pharmacy. The Formulary was created and is regularly updated by a Pharmacy and Therapeutics committee, which consists of practicing physicians and pharmacists. This committee decides which prescription drugs provide quality treatment for the best value. Your physician has a copy of the Formulary and will use it as a reference when prescribing medications.

The Formulary is available on the Internet at [www.pacificare.com](http://www.pacificare.com).

**The Formulary does not include all prescription medications.**

**What is the Mail Service Program?**

Mail service makes it easier for you to receive the prescriptions you take on a regular basis such as medications for high blood pressure, diabetes and asthma. Each order is processed separately by a licensed pharmacist supported by a sophisticated computerized quality control system designed to protect you against harmful drug

interactions. If there are any questions, your physician will be called.

When you receive your prescription, it will include detailed personalized instructions on how to take the medication, possible side effects and other pertinent information. If you have any questions, registered pharmacists are available to help you.

Prescriptions are mailed via the United States Postal Service directly to your home in a discreetly labeled envelope to ensure privacy and safety. Ask your doctor to prescribe a 90-day supply plus refills and by using the mail service program, you will save both time and money.

For more information about the Mail Service Prescription Drug Program, please contact Prescription Solutions Customer Service at toll free 1.800.562.6223.

**NAU Retiree BCBS Pharmacy Plan**

There is no need to elect or enroll in this plan; it is part of your Medical Plan coverage. Prescription drug benefits are available at four cost-sharing levels. The amount you pay depends on the specific drug dispensed by the pharmacy. The pharmacy will charge you a generic, preferred brand, non-preferred brand A, or non-preferred brand B co-payment.

The BCBSAZ Prescription Medication Guide can be used to determine your copayment and this guide can be found on the BCBS website at <https://www.bcbsaz.com/pharmacy>. Go to 4 level prescription drug benefit.

Up to a 90-day supply of maintenance drugs (the same drug and drug strength) may be obtained through the Prescription Drug Mail-Order Program. Maintenance drugs are drugs you take consistently. The copayment for the 90-day supply is equivalent to one month's copayment.

More complete information on your prescription drug benefit can be found in the benefit plan booklet at <http://hr.nau.edu/m/>. Go to Benefits, Health, BCBS Plan Book.

## Online Access to Information

All of the Arizona Benefit Options plans feature web sites that give you access to the kinds of information and transactions that are state-of-art for the health care industry. No matter what plan you choose, you will have a website that offers personalized information on:

- Claim status
- EOB (explanation of benefits) information
- Amount of deductible met
- Status of your prescriptions
- Mail order drug service information and processing
- Drug facts and precautions
- Information about participating network providers
- Information on diseases and physical conditions
- News and health-related articles.

You can learn a great deal by visiting your plan's site. Many people find that the web is so fast and easy that it becomes their first choice for finding out health and plan-related information.

Once your coverage takes effect, you will have full access to your plan's site and your personalized information within the site. You will need to register for these sites on your first visit and establish your own username and password. All personal data on these sites is protected by encryption that meets industry standards.

As with all the Benefit Options online features, you may get to your personal information by logging on to [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov).

## Help Managing Serious Medical Conditions

Being diagnosed and living with a serious medical condition can be very difficult. All of the Arizona Benefit Options medical plans feature a disease management program. This program helps people with certain medical conditions better manage their illness and make their lives more fulfilling.

In these disease management programs, you work directly with a clinician who has expertise in your medical condition. This person can help you to better understand your treatment plan, follow your treatment plan, and ensure that you have the equipment needed to monitor and manage your condition.

Covered plan members in all of the Arizona Benefit Options medical plans can receive help through their plan's disease management program. Our plans offer disease management that meets rigorous clinical standards for the following four conditions:

- Asthma
- Congestive Heart Failure (CHF)
- Diabetes
- Perinatal Care.

Highly effective disease management programs are emerging constantly, and more of these programs will be added to Benefit Options in the future.

If you have been or are diagnosed with one of these diseases and you want to learn more about disease management, contact your plan administrator. Additionally, if you are diagnosed with one of these conditions, you may receive a call from a clinician, who works for your medical plan, offering help.

Participation in a disease management program is voluntary. However, a large majority of patients who do participate in such a program find participation a valuable resource as they navigate the complex world of today's health care.

## Dental Plan Options

### How the Plans Work

Following is a brief description of the dental plans available through Arizona Benefit Options.

For a complete listing of covered services for each plan, please refer to the Plan Description located on the website, [www.benefitoptions.az.gov](http://www.benefitoptions.az.gov). Occasionally, covered services and supplies are subject to change based on the American Dental Association Guidelines. These changes may also result in a change to your copayment.

### Prepaid Plans

- You see a Participating Dental Provider (PDP) to provide and coordinate all of your dental care.
- No annual deductible or maximums
- No claim forms

### *Employers Dental Services (EDS)*

Employers Dental Services (EDS) is the largest prepaid dental plan with the largest general dentist network in the State of Arizona. EDS is headquartered in Tucson, Arizona with offices in both Tucson and Phoenix.

### *Fortis Benefits*

Each family member may select his/her own dentist from a group of participating dentists. Each family member may select and change his/her dentist by calling the Fortis Benefits Customer Service number located on the back cover of this Guide. Members may self-refer for specialty care.

### Indemnity/PPO Plans

- You may see ANY dentist anywhere in the world.
- Deductible and/or out-of-pocket payments apply.
- You have a maximum benefit of \$2,000 per person per plan year for dental services and of \$1,500 per person per lifetime for orthodontia.
- You may need to submit a claim form for eligible expenses to be paid.
- Benefits may be based on reasonable and customary charges.

### *Delta Dental*

About 80% of Arizona's dentists participate in the Delta Dental Plan and agree to accept Delta's allowable fee as payment in full after any deductibles and/or copayments are met. Amounts in excess of the allowable fee will not be billed to the patient. If you choose to see a non-participating dentist, Delta will still provide benefits, although typically at reduced levels.

### *MetLife Dental*

MetLife participating dental providers accept negotiated fees as payment in full after your deductibles and copayments are met. These fees are typically 15–30% below average rates. Noncovered services provided by a participating dentist are also charged at a lower rate. Covered expenses from a nonparticipating dentist are paid according to established reasonable and customary charges.

### *If You Live Outside Arizona*

*You should select one of the two Indemnity/PPO dental plans. The prepaid plans cover ONLY emergency care outside Arizona.*

## Vision Plan

### How the Plan Works

You may elect vision coverage for yourself, and/or your family.

Avesis Inc. administers the vision plan.

The retiree pays the full premium for vision coverage. **Avesis will direct bill for the premium. Premiums are not included in pension deductions nor will premium benefits (subsidies) apply to vision premiums.**

#### Dual Choice

You may choose to receive services from a **participating network provider or a nonparticipating provider.**

#### Participating Network Provider Benefits

Receiving services from a participating network provider entitles you to **one of the following three benefit options for the plan year:**

#### Option 1 – Standard Lenses

You pay an annual \$10 copayment for a routine eye exam and receive standard spectacle lenses and a frame, within the plan allowance, at no additional charge.

OR

#### Option 2 – Contacts

If contacts are elective, you pay an

annual \$10 copayment for a routine eye exam and receive a \$130 allowance toward the cost of the contact lenses and fitting fees.

If Avesis determines contacts are medically necessary, you pay an annual \$10 copayment for a routine eye exam and receive your contact lens benefit at no additional cost.

OR

#### Option 3 – Lasik Surgery

You use a participating network provider and receive a \$150 benefit allowance toward the cost of lasik surgery.

#### Purchase of Noncovered Options

If you purchase noncovered options (e.g., eyewear) from a participating network provider, the providers have contracted with Avesis to provide these options at a reduced rate to Avesis members.

#### Nonparticipating Provider Reimbursement Schedule

When visiting a nonparticipating provider, you will be reimbursed for eligible expenses according to the reimbursement schedule below.

You will pay the provider and submit an itemized statement for reimbursement of your eligible vision care expenses. Avesis will reimburse you up to the amount shown in the plan's reimbursement schedule.

When filing a claim for reimbursement, members should include the following information: your member identification number, your name, the patient's name and date of birth, your mailing address, the group name (State of Arizona) and an itemized statement of expenses.

**For Workers Compensation** Arizona Benefit Options may release your health information to the extent necessary to comply with laws related to workers compensation or similar programs.

#### AUTHORIZATION TO USE OR DISCLOSE HEALTH INFORMATION

Other than as stated above, Arizona Benefit Options will not disclose your health information without your written authorization. If you authorize Arizona Benefit Options to use or disclose your health information, you may revoke that authorization in writing at any time.

#### YOUR RIGHTS WITH RESPECT TO YOUR HEALTH INFORMATION

You have the following rights regarding your health information that Arizona Benefit Options maintains:

**Right to Request Restrictions** You may request restrictions on certain uses and disclosures of your health information. You have the right to request a limit on Arizona Benefit Options' disclosure of your health information to someone involved in the payment of your care. However, Arizona Benefit Options is not required to agree to your request.

**Right to Receive Confidential Communications** To safeguard the confidentiality of your health information, you may request that Arizona Benefit Options communicate in a specified manner or at a specified location.

Alternatively, for example, you may request that all health information be mailed to your work location rather than your home. If you wish to receive confidential communications, please make your request in writing. Arizona Benefit Options will accommodate reasonable requests, when possible.

**Right to Inspect and Copy Your Health Information** You have the right to inspect and copy your health information. If you request a copy of your health information, Arizona Benefit Options may charge a reasonable fee for copying, assembling costs and, if applicable, postage associated with your request.

**Right to Amend Your Health Information** If you believe that your health information records are inaccurate or incomplete, you may request that Arizona Benefit Options amend the records. That request may be made as long as the information is maintained by Arizona Benefit Options. Arizona Benefit Options may deny the request if it does not include a reason to support the amendment. The request also may be denied if your health information records were not created by Arizona Benefit Options, if the health information you are requesting to amend is not part of Arizona Benefit Options' records, if the health information you wish to amend falls within an exception to the health information you are permitted to inspect and copy, or if Arizona Benefit Options determines the records containing your health information are accurate and complete.

**Right to an Accounting** You have the right to request a list of disclosures of your health information made by Arizona Benefit Options for any reason other than for treatment, payment or health operations. The request should specify the time period for which you are requesting the information, but may not start earlier than April 14, 2003. Accounting requests may not be made for periods of time going back more than six (6) years. Arizona Benefit Options will provide the first accounting you request during any 12-month period without charge. Subsequent accounting requests may be subject to a reasonable cost-based fee. Arizona Benefit Options will inform you in advance of the fee, if applicable.

**Right to a Paper Copy of this Notice** You have a right to request and receive a paper copy of this Notice at any time, even if you have received this Notice previously or agreed to receive the Notice electronically.
